Valetines day Dessert
Red Velvet Woopie Pies for Two:

Directions:

Preheat the oven to 350 degrees F. Line a baking sheet with parchment paper.
For the cookies: Whisk the flour, cocoa powder, salt and baking soda together in a medium bowl. Combine the brown sugar and butter in a separate medium bowl with a rubber spatula until no streaks of butter remain and it resembles wet sand. Add the buttermilk, egg, vanilla and red food coloring and whisk until smooth. Fold the flour mixture into the wet mixture with a rubber spatula until smooth.
Use a tablespoon to drop 2 heaping tablespoons of batter onto the prepared baking sheet. Repeat three more times so that you have 4 cookies. Use a wet finger to smooth out any uneven parts on the tops. Bake until the cookies spring back when touched and look dry, 11 to 13 minutes. Let cool completely on the baking sheet, about 30 minutes.
For the cream cheese filling: Combine the cream cheese, butter, confectioners' sugar and vanilla bean paste in a medium bowl with a rubber spatula until smooth.
Once the cookies are cooled, divide the filling between two of the cookies spreading it on the flat sides all the way to the edges. Top each with the two remaining cookies.
Serve immediately or wrap in plastic and refrigerate for up to 1 day. Dust the tops with confectioners' sugar just before serving if desired.

Ingredients:

Cookies:
1/2 cup all-purpose flour
3/4 teaspoon unsweetened cocoa powder
1/4 teaspoon kosher salt
1/8 teaspoon baking soda
3 tablespoons packed light brown sugar
1 tablespoon unsalted butter, at room temperature
2 tablespoons buttermilk
1 large egg
1/2 teaspoon vanilla extract
1/8 teaspoon red gel food coloring

Cream Cheese Filling:
3 ounces cream cheese, at room temperature
1 tablespoon unsalted butter, at room temperature
3 tablespoons confectioners' sugar, plus more for optional dusting
1/4 teaspoon vanilla bean paste

Feb 26th- Wildfire protection crew disscussion @12:00

Lincoln County
WYOMING

CONCERNED ABOUT WILDFIRES? BE PART OF OUR PLANNING PROCESS!

Community Wildfire ProtectionPlans (CWPPs) are developed in collaboration between state/local and federal agencies, fire departments, stakeholders, and community residents to identify and prioritize areas for hazardous fuels treatments, recommendations and methods that will protect at-risk communities and infrastructure.

WE WANT TO HEAR FROM YOU!

Please fill out this brief survey to share your feedback.

Lincoln County WY Community Wildfire Protection Plan Community Engagement Survey

Link to Survey

CWPP's typically include:
Fire behavior analysis
Evacuation route vulnerabilities
Mitigation recommendations
Funding priority guidance
County wildfire risk assessment
