**New Business:**

1. Lunch Price – Janan shared that since food prices are rising, we need to consider raising the Center meal fee to $6.00 from the current $5.00 meal fee. There was a discussion on this item. Don stated we should raise the price now rather than wait. Bob and Steve agreed. Steve made a motion to raise the fee to $6.00, second by Don. All board members agreed. Delphine suggested we begin the new fee on July 1st and this was also agreed upon. Janan will change the meal punch cards with the new price and cards purchased prior to July 1st at the current fee will be honored.
2. Wyoming Nonprofit Board Member Basics – In a recent discussion of Board items, Janan and Delphine had a brief conversation regarding our new board members (new since February 2025, the date of our Wyoming Nonprofit webinar training) and making sure that they had a copy of the Wyoming Nonprofit Board Member Basics. Delphine sent a copy of the webinar booklet and PowerPoint to all board members in May. Gary asked her to review the booklet and Delphine gave a brief overview of the sections that review the basics of board member duties and responsibilities. Several of our current board members (Gary, Delphine, and Don) had taken the required Wyoming Department of Audit, Public Funds Division Public Officer Training certification exam. Please see Gary if you have questions about this certification.
3. Venmo – There was a discussion regarding Venmo for the Mountain Man Days raffle items. Janan shared that she tried to set up a Venmo account and the system would not allow her to update the Venmo account on the computer. Gary noted that he is using his Venmo account for a group in the valley and shared how he's been working with the process. Jayme shared her experience with Venmo and after some conversation, it was agreed that Gary's Venmo account will be the account for the Mountain Man Days. Gary and Jayme explained that deposits into the Venmo account

are itemized and Gary will transfer the deposits to a Thayne Senior Center account (proper accounting for our Center CPA will be applied). They will create the account and obtain the QR code. With the Venmo account and QR code, Janan will make a flyer with a copy of the code and Gary's title (information) regarding the deposits so that customers know where their funds have been applied on their Venmo receipt for the Thayne Senior Center.

4. Golf Tournament Contract – Janan stated she still does not have a golf contract from Cedar Creek Golf Course for the August tournament. Gary noted he has asked the golf pro, Nick Hardy, for the contract and he, Nick, says that he has sent it to the Center. Gary will follow up with Nick and ask for a hard copy of the contract. Janan noted one team has signed up for the tournament at this time.
   Regarding gift bags, Janan asked Bank of Star Valley if they had smaller bags and they do not. The grocery size bags have worked well in the past and we will fill them – not as full – this year with items Janan will buy at Sam's and Costco. Janan made copies of the revised solicitation list for the board members' business invites. Dave mentioned he visited all the businesses on his list and only one donated to the tournament. Gary shared he does not know how many other golf tournaments are also looking for sponsors and teams during the summer season in Star Valley, yet there are multiple tournaments happening.
5. Fundraisers 2026 - Mountain Man Days June 26-28 – There was a discussion on setting up for the event, the schedule, etc. Janan will make signs for the raffle items. She purchased both black and teal tee shirts and hooded sweatshirts to sell at the event. Tee Shirts are $15.00 each and the sweatshirts are $40.00 each. Gary shared he will be at the Center's reception area this week to sell raffle tickets. He also noted that Holly plans to coordinate the Chili Cookoff.
   Golf Tournament August 14, 2026 – Janan noted she needs volunteers to be at several of the holes. Don volunteered for a hole and Janan will find additional volunteers for the remaining holes. Delphine shared that last year's registration was very backed up and confusing for players and suggested that we have either two registration tables or a longer table with several people taking the registrations – inside or outside – so that there is a smooth process and less confusion.
